

DEPARTMENT OF MECHANICAL ENGINEERING

ME@UMD TALK

BIO-FLUID MECHANICS: WE CAN'T LIVE WITHOUT IT!

Friday, September 8, 2017 | 12:00 - 1:00pm
2164 Martin Hall, DeWALT Seminar Room

Guest Speaker

KEN KIGER

*Professor & Director of Undergraduate Studies
Mechanical Engineering
University of Maryland*

These talks are 15 minutes long, so we look forward to a lively discussion after the presentation by our distinguished speakers.

A. JAMES CLARK
